The [Foundation for Environmental Education \(FEE\)](#) announced today the list of beaches and marinas that won a [Blue Flag](#) for 2016.

This year, Greece was again in third place among 50 countries, regarding awarded beaches. The [Chalkidiki](#) municipality came first, with 52 flags.

The FEE awarded 3,463 [beaches](#), 660 marinas and 21 tourist boats (for the first time) all over the world.

See the interactive map below that lists all the awarded beaches in [Greece](#) and the rest of the world:
